

The Refuge
Citizenship Education Project
Invitation to a Training Day
at the Holocaust Centre,
Nottinghamshire
Friday 6 July, 2007,
9.30am-3.30pm

Your Invitation: The Thomas Farr Charitable Trust has kindly sponsored 30 Refuge Teacher's Resource packs to be distributed to schools and youth groups, and your school/youth group has been selected to receive a copy (retail price £90 + VAT).

The Refuge Project was launched in 2002 with 9 Nottinghamshire schools and has been extremely successful in breaking down barriers and encouraging students to think about responsibility and citizenship.

Three hundred schools are currently using the Resource Pack and the feedback we have received is very encouraging. The need for the project is critical at this present time, as it reaches out to many sectors of the community and highlights very current social issues e.g. asylum seekers. It is a very valuable learning tool for schools and can be actively used in Citizenship lessons to encourage and stimulate lively discussions.

In order to help you maximise the use of the resource in the present-day context, we would like to invite you to a one-day training programme at the Holocaust Centre.

The day's programme will consist of:

- ➔ Welcome to the Centre
- ➔ Introduction to the Refuge Project and Refugee Issues
- ➔ Hands-on session on Refugee Issues
- ➔ Lunch and visit to the Holocaust Museum and Memorial Gardens
- ➔ Hands-on session on how to use the Refuge Teacher's Resource Pack
- ➔ A Refugee tells his/her story followed by a question and answer session

Cost: £20 + VAT per person.
